

# 桃園市立楊梅高中國際英文視野自主學習成果 BILINGUAL CARNIVAL

21319何昀倉

# app production

---

We are discussing the production of the app and the design of each screen.

This is the introduction of the store. Because we cooperate with the store to combine the mini game, as long as the game is successfully completed, you will get a discount coupon from the store.

# AT THE BILINGUAL CARNIVAL VENUE

---

In front is the performance stage of the bilingual carnival, we introduced the game to the guests at our stand.

Guests are playing a mini game designed by us.

# REFLECTION

---

This is the first time I have participated in such a large-scale event. It is inevitable that I will be a little nervous. A few weeks before the event, we are already preparing. Everyone is working hard to think of new ideas so as to make the stand more distinctive. On the day of the start, each of us had fun and enjoyed speaking English.
